SHARED OFFICE SPACE AVAILABLE

After over two years in Suite 202, Christa Gonzalez and her wonderful Sea Bags will be moving out... She had shared the office space with J World, who is now looking for another small business or tenant who would like to split the cost and use of the suite. **Please see Shaun if you are interested.**

season !!!**

Will you have guests coming to town for the holidays? If so, remember that tenants get a 25% discount off rack rates for their family and friends! See the boatbnb website (above) for availability.

Oh where, Oh where has my neighbor gone?

Oh where, Oh where can he be?

We had over half a dozen tenants switch slips over the past month, with several more pending moves within the first two weeks of December, so come check out the wall board in the office if you would like to know the new slip number of your former neighbor... (and don't take it personally – most people move into slips that are easier to dock into or are eligible for live aboard status).
